PRODUCT INFORMATION

BIOKOSMA BASIC FOR ANY TYPE OF SKIN	MOISTURE FLUID	RINSE OFF CLEANSING CREAM	REFRESHING LOTION	HYDRO - GEL
Advantages	Skin caring concentrate with intensive deposit effect. Both moisturising and moisture retaining. Avocado oil and liposomes from soy lecithin protect skin from premature wrinkles. Provides more resilience and enhances tonus. Suitable for use by men too.	Cleanses your skin thoroughly without drying. Extremely mild. Suitable too for removing eye make-up. Wash-active substances from sugar beet. Without any aggressive tensides. Alkaline free. pH-neutral.	Balances the natural protective coat of the skin and perceptibly enhances the absorption of the subsequent care products. Camomile calms sensitive skin. Cucumber juice from CONTROLLED ORGANIC cultivation cleanses and refreshes. pH-neutral.	Moisturising gel as additional care for especially demanding areas of normal and combination skin. Liposomes from soy lecithin build up a moisture deposit in the skin. A specific combination of witch hazel and wheat germ extracts, and palm oil waxes promote the hydrating effect. Suitable for use by men too.
Application	For dry skin areas apply under Day or Night Cream. For normal skin or in summer use alone as adequate day care.	Every morning and evening apply the cream to moist skin with light circular motion. Rinse thoroughly. Then apply BIODOSMA BASIC Refreshing Lotion.	After treatment with Rinse Off Cleansing Cream apply the lotion with a cotton pad. Then apply BIODOSMA BASIC care products.	Apply under BIODOSMA BASIC Day or Night Cream.
