BIOKOSMA
CARE
FOR PROBLEM SKIN

BIOKOSMA FOR PROBLEM SKIN

Problem Skin with impurities requires an especially careful treatment, but the application of the product should be easy.

The **BIOKOSMA** CARE range is based on the familiar effects of various well known medicinal plants like echinacea or camomile. Special importance in the **BIOKOSMA** CARE range is given to the product for the intensive but careful cleansing of the skin.

PRODUCT INFORMATION

BIOKOSMA CARE FOR PROBLEM SKIN	DAY CREAM	WASH GEL	FACE LOTION	REFRESHING MASK	SOFT PEELING
Advantages	Enhances skin appearance. Has only very small oil content. The total extracts of cucumber and camomile normalise the skin functions. Natural UV protection (SPF 5).	Cleanses the skin extremely well without drying. Very mild. Suitable too for removing eye make-up. Wash-active substances from sugar beet. Without any aggressive tensides. Alkaline free. pH neutral.	To treat the areas of problem skin Extracts of propolis and echinacea, in a mildly disinfecting basis, normalise the appearance of the skin.	For refreshing deep-pore cleansing. Improves the structure of problem skin without irritating. Effective substances of coconut, aloe vera and natural fruit acids. pH neutral. Alkaline free.	Gently removes dead cells. Cleanses the skin thoroughly and makes it velvet soft. Small exfoliating jojoba granules. Wash-active substances from sugar beet. pH neutral. Alkaline free.
Application	Apply throughout the day, after the treatment with BIOKOSMA CARE Wash Gel.	Every morning and evening apply the gel to moist skin with light circular motions. Rinse thoroughly. Then apply BIOKOSMA CARE products.	Every morning and evening, after a thorough cleansing with CARE Wash Gel apply to problem areas of the skin and let dry. For best effectiveness, do not apply any additional cosmetic products for the next 2 hours.	Apply to cleansed skin of face and neck. Allow to take effect for 10 to 15 minutes, rinse with lukewarm water. Then apply BIOKOSMA CARE products.	Apply to face and neck and massage with gentle circular motion. Rinse thoroughly. Then apply BIOKOSMA CARE products.
