BIOKOSMA HAIR TREATMENTS

Often hair is not easy to comb after shampooing. **BIOKOSMA** Henna, Hair Balsam, Hair Conditioning Treatment and Hair Oil make your hair easy to comb and provide resilience and shine. The scalp will relax, formation of dandruff becomes regulated and sebum production normalises.

BIOKOSMA Hair products will soothe chemical, thermal or mechanical damage. Oily hair or dandruff can be reduced with hair cures.

- Burdock root extract has a strengthening and activating effect.
- Guar has an antistatic effect and will make your hair easier to comb.
- Plant oils as basis, care for your hair and protect it from environmental influences.
