

BIOKOSMA

NATURAL COSMETICS FROM SWITZERLAND

BIOKOSMA FOR MEN

Delight your skin and senses with the feel of luxury provided by **BIOKOSMA** care products. Highly tolerated and naturally gentle to the skin. Extracts and oils from fresh plants, blossoms and fruits are carefully processed.

BIOKOSMA does not use animal substances such as elastins and collagens. The balanced combination of ingredients and the natural preservation system guarantee a high, biologically active effectiveness. Products and components are clinically tested on human skin, but never on animals.
